

K. M. GLOBAL FINANCIAL SERVICES PRIVATE LIMITED

POLICY FOR CLIENT CODE MODIFICATION

1. Objectives:

To frame the guidelines for Modification of client codes post trade execution and reporting of such client code modifications.

2. Brief about Client Code Modification:

Client Code Modification means modification/change of the client codes after execution of trades. Stock Exchanges provide a facility to modify any client code after the trade has been executed to rectify any error or wrong data entry done by the dealers at the time of punching orders. However, such client code modification is subject to certain guidelines as to the time limit within which such modifications can be done etc. The facility is mainly to provide a system for modification of client codes in case genuine errors in punching the orders. It is to be used as an exception and not a routine. To prevent misuse of the facility Stock Exchanges levy penalty/fine for all non-institutional client code modifications.

3. Scope of the Policy:

This policy covers all the Client Code Modifications carried out / to be carried out in any of the client accounts, subject to the guidelines issued by the SEBI / Stock Exchanges from time to time, in any segment of any exchange for which DFSPL is a member broker.
